It is noted that the Notification of Missing Requirements Under 35 U.S.C. § 371 mailed on December 14, 2007 ("first Notification"), which is identical to the present Notification of Missing Requirements Under 35 U.S.C. § 371 mailed on December 17, 2007 ("second Notification"), was already responded to by the Applicants on December 20, 2007 and included a properly executed Declaration and the required fee.

In any event, Applicants hereby respond to the second Notification by enclosing a true and original copy of the executed Declaration for the above referenced Patent Application, signed and dated by the two inventors.

Applicants have already paid the \$130.00 surcharge required under 37 C.F.R. § 1.492(h) for the late filing of the Declaration on December 20, 2007 when responding to the first Notification. Applicants therefore believe no further fees are due at this time. However, any additional fee which may be required may be withdrawn from Deposit Account Number 10-0223.
